- 1) The SFA was paid \$46,534.06 for October claims for 2018
- 2) Do you have plans to increase enrollment? If so, by how many students and over what time?
We do plan to increase our current enrollment by this August by approx. 100 students.
- 3) Will you need summer lunches? Do you participate in SFSP or SSO? If so, how many meals per day? Yes, we would like to participate in the Seamless Summer Food Program. We anticipate between 30-100 student eating in summer camp.
- 4) Awarding the contract just days prior to expected start of service is an extremely short turn around. Will you accept a later start date to allow time for startup prep and a smooth transition? Yes, we can accept a later start date to allow for prep and start up, however that answer is contingent upon what the Fresh From Florida guidelines require.
